

AUTO RINSE

Rinse Aid Concentrate for Automatic machines

Concentrated blend of low foaming surfactants to promote the rapid drying of glassware, crockery, kitchen utensils, containers, trollies, transport confectionary & chocolate molds. For use in single & multi tank automatic dish, glass washing and decontamination machines in kitchens, canteens, restaurants, hotels & bars. Rinsing difficult-to-wet materials in healthcare settings, such as bed frames, bedside cupboards and trollies in decontamination unit.

Concentrated formulation, economical in use.

Supplied in a natural see-through container to easily check the volume.

- Eliminates water spotting and provides streak free results.
- Contains ingredients to prevent formation of scale during rinse cycle.
- Provides corrosion inhibition properties.
- Suitable in soft, medium and hard water conditions.
- Suitable for use in all automatic dish and glass washing machines.

HOW TO USE

Dispense into automatic dishwashing machine through an electronic dispenser, at a rate of 1-2ml per litre, in accordance with the machine manufacturer's instructions.

PACKAGING

PACK
2 x 5L
25L

PRODUCT CODE
661210C
661210D

PALLET SIZE
60 x 2 x 5L
32 x 25L

COMPOSITION

A blend of low foaming nonionic surfactants, solubilisers, organic acid, phosphonic acid, preservative, and dye.

TYPICAL PRODUCT DATA

Appearance:	Clear Liquid
Colour:	Blue
Odour:	Characteristic
Specific Gravity (20oC):	1.012
pH - undiluted:	2.1
pH - diluted 2mls/ltr:	3.6
Shelf Life Unopened:	Not less than 3 years

STORAGE

Store in original sealed container and protect from extremes of temperature.

BIODEGRADABILITY

All surfactants used in RCI manufactured products comply with European Regulations concerning biodegradability and protection of the environment.

APPROVALS & CERTIFICATIONS

Complies to SASO Standard 2618/GSO 1948. Does not contain toxic mineral elements as tested in compliance to applicable relevant local and international test standards: SASO 509, BS EN 14084, 14332, 13806, & ASTM E1613-12.

QUALITY ASSURANCE

This product is manufactured under licence by Reza Chemical Industries, P.O. Box 18636, Jeddah 21425, for Guard Pro under an ISO 9001:2015 Quality Management System Cert. No. CH12/1486 certified by SGS Switzerland and ISO 14001:2015 Environmental Management System Cert. No. SA20/2123234733 certified by SGS UK.
