

KG4

Biological Drain Treatment

A biological, non-pathogenic enzyme-producing bacterial treatment which breaks down and liquefies solids such as fats, proteins, carbohydrates and grease and to neutralize malodours.

Immediately neutralises malodors in drains, hard and absorbent surfaces.

Safe, Non-Toxic, Non-Acid, Non-Alkaline.

- Ideal for treatment of drains grease traps and waste compactor areas.
- Digests and liquefies organic waste, such as fats, proteins, carbo-hydrates, grease and food by-products.
- Safe for its intended use in food facilities. Does not contain toxic mineral elements as defined in GSO 1946.
- Available in 900ml and 5L pack sizes.

HOW TO USE

DRAINS & GREASE TRAP TREATMENT

To keep drains and grease traps free flowing and odor free, daily pour 120ml of product into drains. After adding flush with a cup of warm water. Best performed at night after all cleaning. For grease traps larger than 550 litres add 240-300ml daily using the same procedure.

GENERAL ODOR CONTROL

To eliminate odor caused by organic matter vomit, spoiled foods, dilute at 50ml/litre of cold tap water, spray product directly on malodor and allow the bacterial action to ingest the material while the pleasant fragrance immediately neutralizes the odor.

Warning — Disinfectants, chlorinated products, extra hot water (70° C or higher) will kill some bacteria. It is important to administer the daily dose of KG4 Liqui-Bac at times when they are least likely to be followed by one of the above.

PACKAGING PACK

6 x 900ml
2 x 5Ltr

PRODUCT CODE

661174B
661174C

PALLET SIZE

63 x 6 x 900ml
68 x 2 x 5Ltr

TYPICAL PRODUCT DATA

Appearance:

Opaque white liquid

Odour:

Pleasant odour

pH - undiluted:

7.0

Shelf Life Unopened:

2 yrs

COMPOSITION

Contains a blend of non-ionic surfactant, bacterial culture, and perfume.

STORAGE

Store in original sealed container and protect from extremes of temperature.

BIODEGRADABILITY

All surfactants used comply with European Regulations concerning biodegradability and protection of the environment.

APPROVALS & CERTIFICATIONS

Complies to SASO Standard 2618/GSO 1948 for General Purpose Cleaning Liquids.
Halal-certified

QUALITY ASSURANCE

This product is manufactured under licence by Reza Chemical Industries, P.O. Box 18636, Jeddah 21425, KSA for Guard Pro under ISO 9001 Quality Management System Cert. No. CH12/1486 and ISO 45001 Occupational Health & Safety Management System Cert. No. SA22/00000036 certified by SGS Switzerland & ISO 14001 Environmental Management System Cert No. SA20/2123234733 certified by SGS UK.
